

Burger & Beer Fundraiser Night

Fundraisers are a great way to raise money for your cause and we have a great set up and have helped many causes over the years. Here's how it works:

Tell us the name of your event and when you would like to have it and we will print tickets for you to sell. Fundraisers are only held on Saturdays from 6 pm - 9 pm. The tickets are \$20 each and we get \$10 of that to cover the cost of the meal and drink. 1 week before your event we will contact you to get an approximate number of people so we can prepare.

The options for dinner are: cheese burger, chicken burger, fish and chips or vegetarian pasta. For the drink you may have any alcoholic or non-alcoholic beverage.

If you were planning on doing a silent auction we cover our pool table and that is where you will set up your items. The silent auction will end at 8:30 pm. We have a microphone in case you have an MC for your event. In order to do 50/50 draws, before your night you must get a Class D gaming licence from the BC Gaming website.

At the end of your fundraiser we count the amount of tickets that we received and that is when we collect the money from you.

Fundraisers are very popular at Whiski-Jack's and the dates fill up quickly, so call us today to book yours now. You can email sethmatkin@hotmail.com or call 250-768-3122. Cheers!
